

Yes. You. Can. Keep your New Year's Savings Resolution!

1. Create a budget for your spending and figure out how much you should be able to save each month.
2. Set up direct deposit or scheduled transfers to put the money you want to save in a savings account.
3. Shop around for the best deal before you buy. Don't buy something just because it is convenient, make sure you are getting the best price.
4. Set goals! Figure out what you're saving for, whether it's a new TV, vehicle, vacation, or just saving to have a cushion in case of emergency. If you know how much you want to have saved you can figure out a plan to make it happen!
5. Don't forget that MVFCU can help. Talk to us today to see what options we have available to you!
