**DID
YOU
KNOW?**

Founded in 1934, MVFCU was originally Mankato Teachers Credit Union. Our first office was a janitor's closet at the Mankato High School and our first CEO, Dave Ling, worked part time. Throughout the years, we continued to serve local businesses and their employees. In the late 90s, we had over 80 businesses or "Select Employee Groups" who made

up our membership. In 2001, MVFCU changed to a community charter which allowed us to serve anyone living, working, worshipping or attending school in Blue Earth, Brown, Nicollet, Le Sueur, Waseca or Watonswan Counties. Today, MVFCU has 40 employees, over \$285 million in assets and provides banking services to over 18,000 members.

PUT OVERDRAFTS IN THE PAST

ASK ABOUT OUR LINE OF CREDIT

A Line of Credit can be your checking account's best friend – there to protect you from accidental overdrafts when you need just a little extra cash flow until the next pay check. Whether it's an unexpected repair, extra expenses that month, an offer you can't refuse, your Line of Credit automatically advances into your checking account when the balance falls below zero. A Line of Credit is your short term cash flow assistant.

Checking made simple: At MVFCU it's our philosophy that your checking account should be straight forward and easy to understand. We offer different accounts, including free checking, each designed to fit the needs of you, the member-owner.

BACK TO SCHOOL SHOPPING WITH CHOICE REWARDS

Back to school season can be expensive for families. Paying with the Choice Rewards Credit Card can save you money and help you reward yourself while you shop. The Choice Rewards Credit Card allows you to earn points with each dollar you spend. You can use these points to redeem merchandise or cash back. Apply online or stop by either of our locations to start earning points today.
