**HAPPY
RETIREMENT
DEAN**

We are so grateful to have spent over 24 years with Dean at Minnesota Valley Federal Credit Union! Dean is known around the credit union as the Master of all things mortgages. Dean loves to ask questions. He always takes the time to research and make sure his answer is accurate.... Followed by a long-detailed phone and e-mail explanation. Dean is a man that knows a lot about a lot of different things- from the mortgage world to sports and current events. We will miss Dean's magnetic personality around the office and wish him the best in his retirement. Thank you, Dean for your many years at MVFCU.

Our NSF charge has changed... for the better! You know those pesky non-sufficient funds (NSF) fees that pop up when your account is overdrawn? Well, we've made them friendlier! Now, you've got a cushion of up to \$50 in the negative before any fee kicks in, and guess what? Our fee has gone down from \$25 to just \$19. We totally get that life happens, and we're always here to lend a helping hand.

Tell us what you want.
We listen. Then deliver.
