**NICK
MEYER**

Retires

Employee Nick Meyer is retiring April 2026 (turned 66 in March) after joining the team at Minnesota Valley FCU (chartered in 1934 as Mankato Teachers Credit Union) in Mankato as President & CEO February 2000, after 10 years with NCUA (National Credit Union Administration) as a federal examiner (MBA). Before that public accounting (CPA), financial planning (ChFC), Army (Germany) and farming (by Jeffers/Lamberton and owned since 1899... grew up with many co-ops). It was fun and challenging helping our six-county community credit union grow from 8,300 members to 18,500, \$26M in assets to \$323M, \$17M in loans to \$163M in loans (plus \$170M FHLB 1st mortgages we sold but service) and \$2.5M in capital (member owned retained earnings) to over \$36M today at 1/31/26. We consistently beat NCUA national Peer averages in virtually all key growth and safety categories year after year and nearly without exception always scored very highly on NCUA exams and CPA audits plus with national rating agencies as well. Better yet was working with wonderful coworkers (nearly 40 today), boards, supervisory committees (S/C), many fine members and fellow credit union friends, too. Along the way there

were some small but important mergers: Minnesota Lake, Tracy Schools, Kato Engineering, Northern Energy (which included St. James Schools and Mico). Nick also served nine years on the MN CU Network Board of Directors and their S/C plus various committees and Chapter roles, too. As we all agree "It Pays To Bank Where You're Part Owner!" and "Yes You Can." Thanks folks. My wife (likewise retiring after over 45 years in banking), two daughters, one son, and two grandkids sure have appreciated it too. It's been an honor of a lifetime. Before Nick (2000-2026) as CEO there were Kathy Danielson (1991-2000), Roger Nelson (1984-1991), Jack Sims (1975-1984), Darell Smalley (1968-1975) and the first Dave Ling (1934 to 1968) who each did a very good job. And next CEO Trent Talle will undoubtedly follow in that fine tradition having worked here since 2004 starting out in lending then VP of lending and last several years as EVP. We've worked closely together for all of those years so indeed a very smooth transition. He will continue to excel. Best wishes to you all and I'll see you around as other than traveling a lot we're staying here. Thank you very much for 26 wonderful years.
